The first year of program registration shall be on a provisional basis after which program approval may be made permanent, continued as provisional, or rescinded following a program performance review by the Office of Apprenticeship.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years of age or older. IDAHO RURAL WATER ASSOCIATION APPRENTICESHIP STANDARDS

Sponsoring Employers with 5 or more registered apprentices are required to adopt an affirmative action plan and selection procedures, which will become part of these standards of apprenticeship. For Sponsoring Employers with fewer than 5 apprentices, these plans are not required, and the Sponsoring Employer may continue to select apprentices in conformance with its current human resources and equal employment opportunity hiring policies.

The sponsoring employer will have full authority to enforce these standards. The sponsor will hear and resolve all complaints of violations concerning the apprenticeship agreement and the registered apprenticeship standards for which written notification is received within 15 days of the alleged violations. The sponsor will make such rulings as it deems necessary in each individual case within 30 days of receiving the written notification. Either party to the apprenticeship agreement may consult with the Office of Apprenticeship for an interpretation of any provision of these standards over which differences occur. The name and address of the appropriate authority to receive, process, and dispose of complaints is:
